

## Benedict Canyon Water Pipeline Replacement

### Project Description

LADWP will be replacing 5,200 feet of pipeline along Benedict Canyon Drive and Liebe Drive.

Hutton Drive, as well as Liebe Drive. Construction will take place Monday through Friday from 9 AM to 9 PM, and on scheduled Saturdays between 9 AM and 6 PM.

### Road Closures

Benedict Canyon Drive will be closed for the duration of the project during construction hours for that entire stretch. Liebe Drive will also be closed. All roads will be reopened at the end of each work day. Local access during construction hours will be provided to residents, designated visitors and delivery personnel, and placards will be distributed for this purpose. Electronic message boards and traffic control will be in place throughout the project. Fire and emergency access will be maintained at all times.

Visit the project website for updates on road closures and traffic conditions.

The project will increase water supply reliability and improve the existing fire protection capabilities.

### Construction Information

Construction will take place on Benedict Canyon Drive between Mulholland Drive and
