

# Stormwater Capture Parks Program

## Valley Village Park

Valley Village Neighborhood Council - August 26, 2020  
Anthony Nercessian - LADWP Watershed Management

# Local Water Supply Benefits Community Benefits Project Overview Schedule

# Local Water Supply Benefits

## L.A.'s Green New Deal

Implement multi-benefit stormwater capture projects to increase local water supply and improve local water quality

Source 70% of LA's water locally

Capture 150,000 AFY of stormwater by 2035

Annual capture is equal to 49,000,000,000 gallons, which can supply 450,000 single-family households annually

Deliver Environmental Justice & Social Equity
