

Cash Back for Hydration Stations Make Your Community More Livable, Walkable and Sustainable!

Calling on all LADWP water service non-residential customers! Install or refurbish a publicly accessible drinking water station on your property and LADWP can provide reimbursement for the costs through the Hydration Station Initiative Program. Help promote accessibility of tap water and reduce single-use plastic waste.

| Type | Reimbursement Levels |
|---------|-------------------------|
| Indoor | Up to \$5,000 per unit |
| Outdoor | Up to \$10,000 per unit |

Eligibility & Requirements

- Applicants must be an active LADWP water service non-residential customer in good standing
- Select a location for each hydration station in an area that is publicly accessible and/or with high pedestrian traffic
- LADWP must approve of proposed hydration station placement
- Complete refurbishment or installation of hydration station/s within 120 days of the Notice To Proceed date
- Agree to maintain the hydration station/s in an operable, clean and sanitary manner
- Agree to terms and conditions including installation of signage provided by LADWP at the site of the hydration station, and authorizing photography of unit for record keeping and marketing purposes

How to Apply

- Download an application at www.LADWP.com/HSIP,
- Request one at waterquality@ladwp.com or
- Call (213) 367-3182
- Email all required forms back to waterquality@ladwp.com, or
- Mail the completed HSIP application and accompanying documents to the address listed on the application

The Process

- Submit all required documentation as indicated in the application
- Wait for LADWP to approve before starting your project
- Notify LADWP when the installation is complete
- Upon final approval, LADWP will mail you a reimbursement check
