CAMPUS INTERVIEWS ONLY ELECTRICAL ENGINEERING ASSOCIATE

Class Code: 7525
Open Date: 10-11-02
Revised: 10-30-23
(Exam Open to All)

ANNUAL SALARY

\$88,385 to \$148,498

The salary in the Department of Water and Power is \$100,203 to \$172,531

NOTES:

1. Candidates from the eligible list are normally appointed to vacancies in the lower pay grade positions
2. For information regarding reciprocity between the City of Los Angeles departments and LADWP, go to http://per.lacity.org/Reciprocity_CityDepts_and_DWP.pdf.
3. Annual salary is at the start of the pay range. The current salary range is subject to change. Please confirm the starting salary with the hiring department before accepting a job offer.

DUTIES

An Electrical Engineering Associate performs professional electrical engineering work in the preparation of designs, plans, specifications, engineering economic and cost analysis studies, schedules, contracts and reports for electrical systems and equipment, buildings and marine facilities and equipment; conducts quality assurance and safety testing, inspection, and research activities; provides technical direction in the licensing, design, construction, installation, maintenance, and operation of a wide variety of electrical systems and equipment; may perform code enforcement functions relating to designs and specifications of electrical installations and equipment approval; and does related work.

REQUIREMENTS/MINIMUM QUALIFICATIONS

1. A Bachelor's or Master's degree in engineering from an accredited college or university, which includes at least 24 semester units or 36 quarter units of core courses in electrical engineering; or
2. Certification as an Engineer-In-Training recognized by the State of California Board for Professional Engineers, Land Surveyors, and Geologists; or
3. Registration as a Professional Engineer with the State of California Board of Professional Engineers, Land Surveyors, and Geologists.

PROCESS NOTES

1. Applicants who are within nine months of graduation from an accredited college or university may apply. However, you cannot be appointed until you have completed all your course work, including the 24 semester units or 36 quarter units described in Requirement No. 1.
2. An application and a Supplemental Form must be completed. Applications and Supplemental Forms will be available through the recruiters.
3. Candidates filing under Requirement No. 2 or No. 3 must list their Engineer-In-Training (EIT) certification number or Professional Engineer (PE) registration number on the Supplemental Form, question # 1. At the time of the appointment, candidates must submit to the department which appoints them, verification of their EIT certification or PE license.
4. Appointments will be made to temporary training positions in accordance with Section 5.30 of the Rules of the Board of Civil Service Commissioners for a maximum duration of three years. In order to successfully complete the temporary training period, new appointees must obtain their Engineer-In-Training (EIT) Certificate within three years. New appointees who do not successfully complete the temporary training period will be terminated from the class.
5. Some positions may require a valid California driver's license. Candidates may not be eligible for appointment to these positions if their record within the last 36 months reflects three or more moving violations and/or at-fault accidents, or a conviction of a major moving violation (such as DUI).
6. Please note that qualifying education must be from a college or university accredited by a City of Los Angeles recognized agency. A list of approved accrediting agencies can be found at <http://per.lacity.org/Accredited%20Institutions%2008-21-08.pdf>.
7. Candidates completing the exam process will be contacted by the Personnel Department to provide required proof of qualifying degree.

AN EQUAL EMPLOYMENT OPPORTUNITY EMPLOYER

For additional information and FAQs regarding the City's hiring process, please go to: <http://per.lacity.org/index.cfm?content=employmenttestingprocess>

WHERE TO APPLY

1. Make an appointment through the placement office of the school with which you are affiliated as a student or alumni (if allowed by the school) to interview with the City of Los Angeles recruiters should they visit your campus.
2. Applications and Supplemental Forms will be available through the recruiters.
3. Those individuals who are not currently affiliated as a student or alumni with participating schools may participate in the examination when applications are accepted through the City's on-line application process. If the examination is not open for filing at the time of your visit, you are encouraged to complete and submit a notification card by visiting the website at <https://www.governmentjobs.com/careers/lacity/classspecs> so that you may be advised when applications will be accepted.
4. Applications and Supplemental Forms may be periodically accepted at alternative locations when the City participates in special recruitment events, job fairs, or career expos. For those special events, any special application or testing procedures will be explained directly to event participants.

APPLICATION DEADLINE

For administrative purposes filing may close periodically and reopen the following day. This examination may be closed without prior notice at any time after a sufficient number of applications have been received.

SELECTION PROCESS

Examination Weight: Interview100%

The examination will consist entirely of an evaluation of professional and personal qualifications by interview. In the interview, the following competencies may be evaluated: Mathematics; Judgment and Decision Making; Safety Focus, including: safety principles and practices pertaining to the planning, design, construction, operation, maintenance, testing, and research activities related to electrical engineering and the inherent dangers associated with electrical systems or components, and safety codes and standards applicable to the work environment; Electrical Understanding, including an understanding of: the principles and practices of electrical engineering as applied to the planning, design, construction, operation, maintenance, testing, and research of facilities; the principles and practices of engineering theory and mathematical concepts in order to identify and solve engineering problems; plans, specifications, and drawings used in electrical engineering work, including schematic drawings, wiring diagrams, and construction plans; Oral Communication; Job Knowledge, including knowledge of: engineering economics necessary to perform cost benefit analyses for City projects and assets in order to identify alternative cost effective solutions and make recommendations to management; scheduling practices and methods followed in engineering work; the State of California renewable energy, sustainability, and energy saving requirements; programming and computer software used to analyze and resolve electrical engineering problems; and other necessary knowledge, skills and abilities.

Additional job analysis information can be obtained by going to <https://per.lacity.org/jobs/job-analyses.cfm> and clicking on Competencies under Electrical Engineering Associate.

NOTES:

1. This examination is based on a validation study.
2. As a covered entity under the Fair Employment and Housing Act and Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and upon request, will provide reasonable accommodations to ensure equal access to its programs, services, and activities. To request a disability accommodation, you must contact the Examining Section at the Personnel Department within 2 working days at 213-473-9163 to ensure time is given for proper arrangements to be made. The Disability Accommodation Form can be obtained at http://per.lacity.org/exams/verify_disability.pdf.
3. Candidates may take the Electrical Engineering Associate interview only once every 365 days from the date they were last added to the eligible list or when they were interviewed, whichever date is more recent. If they have taken the Electrical Engineering Associate interview in a campus environment with any City of Los Angeles department or LADWP, a special recruitment event, or during an open filing period in the Personnel Department within the last 12 months, they may not file for this examination at this time.
4. Candidates may be offered a conditional job offer on the day of the interview. If this offer is accepted by the candidate, the candidate's name will be provided only to the department that extended the job offer for hiring purposes.
5. Your name may be removed from the open competitive list after twelve months.
6. Your rank on the employment list may change as the scores of candidates from other administrations of this examination are merged onto one list.
7. At the time of the interview, you must present a valid, State or Federal issued photo identification card.
8. Applications are accepted subject to review to ensure that minimum qualifications are met. Candidates may be disqualified at any time if it is determined that they do not possess the minimum qualifications stated on this bulletin.
9. A final average score of 70% is required to be placed on the eligible list.
10. In accordance with Civil Service Rule, Sec. 4.24, review periods may be combined. Candidates in the examination process may file protests as provided in Sec. 4.20, 4.22 and 4.23 as applicable and within the required time frame; however, the Personnel Department may respond to and resolve protests prior to the establishment of the eligible list.
11. For candidates seeking initial City employment, in accordance with Los Angeles City Ordinance 187134, information regarding COVID-19 vaccination requirements as conditions of employment may be found at: https://ckrep.lacity.org/online/docs/2021/21-0921_ord_187134_8-24-21.pdf.

Notice:

If you receive and accept an offer of employment to a regular position with the City of Los Angeles, your employee benefit coverage (including health and dental coverage as well as life insurance) will commence approximately six weeks after your original regular appointment. Not all positions in the City receive benefit coverage; you should inquire regarding the availability of employee benefits prior to accepting a position. All City employees are required to be Disaster Service Workers.

THIS EXAMINATION IS TO BE GIVEN ONLY ON AN OPEN COMPETITIVE BASIS

The City of Los Angeles does not discriminate on the basis of race, religion, national origin, sex, age, marital status, sexual orientation, gender identity, gender expression, disability, creed, color, ancestry, medical condition (cancer), or Acquired Immune Deficiency Syndrome.
