Building Operating Schedule (hours of operation)

Operating Schedule	M	T	W	Th	F	S	Sun	Hrs/Wk	Week/yr	Hrs/yr
Hrs/Day										

CLIP will calculate the incentive based on the annual hours of operation provided on the CLIP Spreadsheet. If the hours vary from the building operating schedule above, please enter them below.

Operating Schedule	M	T	W	Th	F	S	Sun	Hrs/Wk	Week/yr	Hrs/yr
Hrs/Day										

HOW TO APPLY

- Read the Terms and Conditions Section for the Commercial Lighting Incentive Program. This program shall be subject to change or termination without notice.
- Product specifications are listed in the Program Requirements section of the application. Locate and read the Program Requirements for the specific product(s) for which an incentive is sought.
- Before Installation: you must submit an application package to reserve funds. Documents are available for download online at www.ladwp.com/clip. A complete application package includes:
 - Completed and signed Distributed Energy Solutions Non-Residential Rebate Program Application Part A.
 - Completed and signed CLIP Application Part B.
 - Completed and signed CLIP Authorization Part C, where applicable.
 - Completed and signed CLIP Disclaimer Part D.
 - Completed and signed CLIP Payment Assignment Form, where applicable.
 - Completed and signed IRS Form W-9 for the legal entity that will receive the incentive payment.
 - Completed CLIP Spreadsheet detailing project scope of work.

- Photographs representative of the existing fixture types, lamps, ballasts, etc. Must submit a minimum of two photos per luminaire taken at the installation address for each unique measure proposed.
- Product specifications are required for each proposed lighting product, including a screenshot of the product's Design Lights Consortium (DLC) listing and designation. The DLC Qualified Product List can be found here - <https://qpl.designlights.org>.
- Submit the application package via email to clip@ladwp.com or mail to:

LADWP Non-Residential Programs
ATTN: CLIP
111 N. Hope St., JFB Room 1057, Los Angeles, CA 90012-2607

- All projects require pre-approval and pre-verification of existing equipment prior to installation of new equipment.
- Once the application is reviewed by LADWP, you will be contacted to arrange a pre-verification.
- Once approved, you will receive a Notice to Proceed and may begin installation.
- Projects not completed within 120 days of LADWP pre-approval may be canceled, and reserved rebates returned to the program fund.
- Once installation is complete, the customer must submit signed itemized final invoice, to schedule a post-verification. Invoice must include: invoice date, equipment manufacturer and model number, number of units, cost per unit, total labor cost (if applicable), and total costs.
- After verification of the newly installed equipment is completed, a request for payment will be submitted. Once approved, an incentive check will be issued.
- **Measures may not be applied for nor may Applicant receive incentives from multiple LADWP energy efficiency programs for the same measure. Only one (1) incentive will be paid per energy efficiency or electrification measure.**

Check here if you are submitting additional operating schedule(s)
